ONLINE LECTURE SERIES

IV Conference in Glycoscience

January – May 2027

14 Jan · 12:00 CET

Roberto Adamo

GSK Vaccines Institutes for Global Health, IT

18 Feb · 12:00 CET

Daniel Bojar

Department of Chemistry and Molecular Biology, University of Gothenburg, SE

18 Mar · 12:00 CET

Sandra van Vliet

Department of Molecular Cell Biology and Immunology, Amsterdam UMC, NL

15 Apr · 12:00 CEST

Valentin Wittmann

Department of Chemistry, University of Konstanz, DE

29 Apr · 12:00 CEST

Lucy Crouch

Institute of Microbiology and Infection, University of Birmingham, UK

20 May · 12:00 CEST

Katrine Schjoldager

Center for Glycocalyx Research, University of Copenhagen, DK

https://gehic.rseq.org/

Organized by

RSEQ Real Sociedad Española de Química

GEHIC Grupo Especializado HIDRATOS DE CARBONO

Carbohydrates Division
Spanish Royal Society of Chemistry

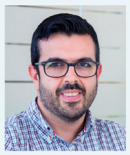

With the support of

IQS UNIVERSITAT RAMON LLULL

ONLINE LECTURE SERIES

IV Conference in Glycoscience

January – May 2027

14 Jan · 12:00 CET

Roberto Adamo

GSK Vaccines Institutes for Global Health, IT

Elucidating the Impact of the Conjugation Site in the Immunogenicity of Glycoconjugate Vaccines

18 Feb · 12:00 CET

Daniel Bojar

Department of Chemistry and Molecular Biology, University of Gothenburg, SE

A Sweet Life: Understanding Glycobiology with AI

18 Mar · 12:00 CET

Sandra van Vliet

Department of Molecular Cell Biology and Immunology, Amsterdam UMC, NL

Site-specific reprogramming of the tumor-immune microenvironment through sialic acids

15 Apr · 12:00 CEST

Valentin Wittmann

Department of Chemistry, University of Konstanz, DE

Chemical Tools for Glycobiology: Carbohydrate-Lectin Interactions and Metabolic Glycoengineering

29 Apr · 12:00 CEST

Lucy Crouch

Institute of Microbiology and Infection, University of Birmingham, UK

The use of N-glycans from breastmilk by infant-associated Bifidobacterium

20 May · 12:00 CEST

Katrine Schjoldager

Center for Glycocalyx Research, University of Copenhagen, DK

From Genetic Engineering to Functional Glycobiology

Organized by

RSEQ Real Sociedad Española de Química

Grupo Especializado HIDRATOSDECARBONO

Carbohydrates Division
Spanish Royal Society of Chemistry

With the support of

IQS UNIVERSITAT RAMON LLULL
